

Representative Apprenticeship Application

Binary Mission

Binary is an organization that creates opportunities for student's interest in experiencing hands-on, immersive theatre with other students. We create a safe environment where students can collaborate with one another in the design, acting, directing, and technical fields.

Binary Representative Description

A Representative on the Binary Theatre Company Board is responsible for mentoring and communicating with respective members of each production team on the Binary season. They attend weekly board meetings to discuss upcoming events and company policies and procedures. An effective board member has the ability to problem solve, communicate well, and manage their time effectively. A board member knows how to work quickly, efficiently, and collaboratively. Binary Theatre Company is run by the board; Board members are expected to make their position a priority and should ultimately strive to make the company succeed.

Apprentices should possess all of the above qualities, but are not expected to attend every meeting. If chosen, they will be mentored by current Binary Representatives in their respected areas. This apprenticeship is considered a training process in becoming a Binary Representative and will be a part of helping develop the apprenticeship program for future seasons.
